

Community Partnership Benefit Application

Please complete this application and send to our Olive store for processing:
Attention: Donation Committee, 532 Olive St., Eugene, OR 97401

Down To Earth is proud to support local and national organizations that sponsor health, education and sustainable agriculture in our community.

Upon approval of this application, Down To Earth will provide a Shopping Day, from which 5% of total sales from both retail stores will be donated to the participating partner. We will promote the event in advance through advertising and store signage.

Representatives from the participating partner must attend the event at the Olive Street location with a table/booth, to inform customers and answer questions. Creative and entertaining solutions such as demonstrations, workshops, and samples are encouraged. Partners should also promote the event through their own marketing strategies.
